**Governor's
Message**

At least 14 Unicorn Startups (with at least USD 1 Billion valuation) out of 101 Unicorn Startups of India are based out of Haryana

At present, 3910 Haryana-based Startups are operational

Chandigarh, June 27- Haryana Government has followed a proactive approach to facilitate ease of doing business for startups in Haryana. State has carried out extensive policy interventions to position Haryana as a pre-eminent investment destination. At least 14 Unicorn Startups (with at least USD 1 Billion valuation) out of 101 Unicorn Startups of India are based out of Haryana. Government of Haryana is keen to harness the potential of such young entrepreneurs by providing them with a strong policy ecosystem, robust infrastructure, and liberalized regulatory norms.

The State Cabinet which met under the Chairmanship of Chief Minister, Sh. Manohar Lal, here today has approved a new Haryana State Startup Policy 2022 formulated by the Department of Information Technology, Electronics and Communication, Haryana.

Through this Policy, State Government aims to boost and nurture the vibrant startup ecosystem in Haryana to stimulate independent thinking and innovative ideas and help budding Startups at different stages of their entrepreneurial journey.

Now any startup entity recognized by the Department for Promotion of Industry and Internal Trade (DPIIT), Government of India, up to a period of 10 years from the date of its incorporation/ registration and with an annual turnover not exceeding Rupees 100 Crores and being based out in Haryana will make it eligible for availing major fiscal and non-fiscal benefits under the new policy.

In addition, other Startups recognized by the DPIIT having their registered office anywhere in the country / even outside Haryana and till the time they are working through Government owned / Supported Incubators operational in Haryana will also be eligible to avail only non-fiscal benefits

under the new policy. These benefits include subsidized Incubation Space, liberalized criteria for participation in Haryana Government Tenders, participation in mentorship events, and other startup specific programs. This part of the policy will incentivize such startups to ultimately migrate to Haryana to take full benefits under the policy.

Presently, 3910 Haryana-based Startups as of June 15, 2022 stand recognized by the Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce and Industry, Government of India. A Startup Haryana Cell is being established in the Department of Information Technology, Electronics and Communication to oversee the implementation and other institutional activities of this revised policy.

It is expected that at least 5000 new startups would be established in Haryana over the next 05 years (within policy period) providing direct & indirect employment to 75000 persons

A few of the key Incentives/ Benefits under the new startup policy are as follows:
